

Replacement Fall 2012 MEAP Data Files Available

Replacement data files containing rescored mathematics results for the Fall 2012 Michigan Educational Assessment Program (MEAP) have been posted to the BAA Secure Site (www.michigan.gov/baa-secure). The posted files include:

1. the MEAP student data file
2. the MEAP aggregate data file
3. the MEAP feeder student file
4. the MEAP student analysis extract (SAFE)

These files contain MEAP mathematics scores corrected in accordance with the memorandum sent Thursday, May 16, 2013 from Vince Dean, Ph.D. regarding the MEAP and MEAP-Access Mathematics Scoring Issue.

You will be notified via email in a similar manner when:

- Corrected MEAP-Access files are available
- PDF versions of corrected reports for MEAP and MEAP-Access become available
- Shipping begins of corrected hard copies of the Individual Student Reports, Parent Reports, and Student Record Labels

Downloading the Data Files

Sign on to the BAA Secure Site with your user ID and password. Access the data files by clicking on "Student Test Scores" from the menu on the left, and selecting the "Fall 2012 MEAP Grades 3 – 9". If you do not have access to the BAA Secure Site, please contact your district assessment coordinator for assistance.

Information Included in the Data Files

Guides to the data file layouts (containing a description of each data column) can be found at the bottom of the "Student Test Scores" page once you select the appropriate test cycle.

If you have questions regarding the MEAP data files, please send an email to BAA@michigan.gov or call 877-560-8378, and select option 2.
